

Dear Ministry Partner,

Thank you for your interest in a donation of stock to Fellowship Bible Church. A donation of stock is an excellent way to not only give generously, but often times is a wonderful way to steward our blessings.

In order to transfer stock, contact your brokerage firm, with notification of the number of shares. Our account is at Arvest Wealth Management Company.

The ACAT INSTRUCTIONS include this information that your firm will need:

DTC #0443

Accounts are held at Pershing LLC

Account number is WAB035973

Account name is Fellowship Bible Church of Northwest Arkansas

FEIN # 71-0605274

In addition, if you would email the church and let us know of your impending gift it is very helpful. The exchange between your brokerage firm, Pershing, and Arvest sometimes does not include the donor's name. Please email Glenda McSpadden glmcspadden@fellowshipnwa.org or John Haefner at johaefner@fellowshipnwa.org when you initiate the gift.

A letter of acknowledgement of your donation will be mailed to you.

Sincerely,

John Haefner

Director of Finance
