Live as ONE

What is your story of turning to Jesus for the first time and a key moment or two since then? Who showed you what it looks like to turn to Jesus in life?

What barriers in everyday life can get in the way of sharing your story and faith in Jesus with someone else?

Live by the WORD

Prayerfully read through
1 Thessalonians 2:7-20

How is discipleship like the love and guidance of a good mother and good father? Notice specific descriptive words and verbs in the passage.

Notice the key word “imitators” in 1 Thess. 1:6-7 and 2:14. How does that relate to Paul’s use of a good mother and good father? How does that help you see what discipleship has looked like in your life or could look like in the future?

Are hardships and joy mutually exclusive according to 1 Thess. 1-2? If not, what is that joy connected to? How can that help us experience more joy practically in everyday life as Christians?

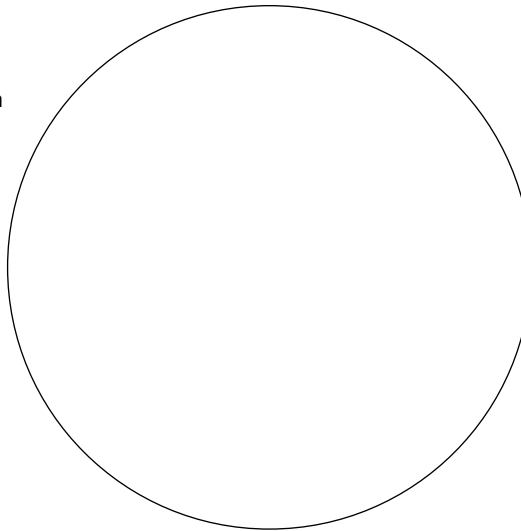

Live as SENT

What is your next step of joy in being a disciple of Jesus in 2018?

What is your next step of joy in making a disciple of Jesus in 2018?

WHAT’S YOUR SPHERE?

2 Corinthians 10:15

FELLOWSHIP | MINUTE

Mickey Rapier | Directional Leader

In October of last year, I shared with you that, back in the 80s, Robert Cupp, Gary Harrell, and I would drive to Fellowship's undeveloped property on Pleasant Grove Road, and pray for the future of our church. With the recent donation of property in Bentonville and our Elders' decision to proceed with the establishment of a Bentonville campus, WE NEED PRAYER and I hope you are praying for our church every day! But I also thought you might enjoy coming on-site to the Bentonville campus to pray. So Fellowship's Buildings and Grounds staff prepared a little fenced-in area on the new campus to make it convenient for you, our church family, to come here and ask God to bless the future ministry that will happen on this piece of ground. Feel free to come here to seek God as often as you like. We believe that prayer makes a difference!
