Live as ONE

Think about your home, family, and close friends. How has God blessed you through the people He has placed in your life and the place He has you in everyday life?

Live by the WORD

Read [1 Peter 2:9-12](#) and [Ecclesiastes 9:7-10](#) together.

How do you think your “home life” factors into how we live out this Scripture where we live, work, and play?

How do you see God at work in and through your home? How have you seen God use your everyday, ordinary life to make a surprising impact on someone else where you live, work, or play?

Live as SENT

Read [1 Peter 4:8-11](#) together.

How can God use hospitality to show Himself and His good work in your home for His glory? What has God given you to share and be a blessing to others in order to point them to a relationship with the Lord?

How could you use your home this summer to get to know someone’s story where you live, work, and play and to share your own?

Memorial Day

For many, Memorial Day kicks off the summer season and puts winter’s chill in the rear-view mirror. And to be honest, most of us are thankful to receive a day off from work. But as we enjoy time with our families and friends, let us not forget to honor those who sacrificed their lives for our country to ensure our freedom and peace. Traditionally called Decoration Day following the Civil War, it was a day set aside for decorating the graves of those who died during that conflict. It became a federal holiday of remembrance in 1971. It is a day for us to honor, with gratitude, those who gave the last full measure. Yet, we shouldn’t take for granted the sacrifice made by those of you who have previously served in the armed forces or still do. So, on behalf of the Fellowship Family, thank you for your service. And for those who paid the ultimate price for freedom... we remember.
