Live as One

Read [Hebrews 11:1-12:3](#) together.

Take turns reading a few verses at a time.

When you consider the peaks and valleys of your own life, how have you seen God's faithfulness? Share a story or two from your journey with God.

Take some time in prayer together to tell God "thank you" for His faithfulness.

Live By The Word

Focus on [Hebrews 12:1-3](#).

Are you weary or "fainthearted" right now? How so?

Considering the faithfulness of God in Scripture and in our own stories, what do you need to "lay aside" that can entangle and weigh you down?

As you look to Jesus, what is it about who He is and what He has done in these verses that encourages you to move forward in faithfulness?

Live as Sent

Who in your life needs to hear about God's faithfulness in your story this week? How can you help them "look to Jesus" with you?

MINISTRY FOCUS

PARTNERING IN FAMILY MINISTRY

The mission of Fellowship's Family Ministry is to help families own the spiritual development of the next generation.

Our Mosaic Family Ministry staff is honored to partner with you each week as the youngest in our Mosaic family (from birth through high school) attend classes, services, and small groups. We are excited about our new curriculum, *Orange*, that supports this partnership, strengthening the connection between the light of the church and the heart of the home. You can be a part of this with us, bringing your talent, time, and voice in leading and guiding our next generation.

To get started, text your name to one of the numbers below
and our staff will connect with you:

Connect At Home Through The Parent Cue App

We are excited to introduce you to *Parent Cue*, an app that is designed to help parents connect with the heart of their child every week through Bible based content and practical things to say and do. Each cue aligns with content from *Orange*, our new curriculum in kids' classes birth through elementary. It will change with your child, staying relevant to their phase of life. The app will cue you with encouragement, reminders, and conversation starters that will help you connect with your child in the morning, in the car, at meals, and at bedtime. Download the app from the iPhone App Store or Google Play.

from mickey rapier | directional leader

Have you ever attended Celebrate Recovery on Friday evenings? If not, please allow me to invite you to join us on Friday evenings at 7:00pm. Rodney Holmstrom leads our nationally recognized team in one of the most effective CR ministries in the country. Every week, people from all walks of life gather to find healing and hope in dealing with hurts, hang-ups, and habits. And let's face it, we all have hurts, hang-ups, and habits! The people who gather on Friday evenings just grew weary of fighting those battles alone. In CR, they have found truth, relationships, and accountability; three cornerstones of every healthy small group in all of Fellowship's congregations. If for no other reason, just go so you will be aware of the incredible work Fellowship's Celebrate Recovery leadership is doing. Rest assured, you will be blessed by their ministry.
