

## connect IN COMMUNITY

### Live as ONE

Go around and each share a two-minute life-story of something you would describe as “unforgettable.”

### Live by the WORD

*Read 1 Peter 2:9-12 out loud.*

We are given some huge statements of who we are because of what God has done. Which of these four phrases stun you the most? Which is the hardest to wrap your mind around? Why?

- A Chosen Race
- A Holy Nation
- A Royal Priesthood
- A People for God’s Own Possession

Evangelism here is described as “Proclaiming the Excellencies of God.” What do you find excellent about God? What WOWs you about Him? Describe a situation you have been in where you have seen THIS work...where simply talking about how excellent God is was the best possible course of action.

### Live as SENT

The phrase “called you out of darkness and into His marvelous light” is important. It’s an example of sharing your simple, yet life-changing story. As practice, write out a testimony that you can share in one minute that describes how you went from darkness to light. Be clear in what happened that made the change a hope-filled reality.

Close your time in prayer, specifically praying for one person to whom you are going to commit to share this story with THIS WEEK. Pray your eyes and ears will be attuned to the doors the Lord will open so that you can listen to their story and share your own.

### Parent Child Dedication

Tonight, eight Mosaic families will dedicate their children to the Lord in a public expression of commitment to lead their children spiritually, with the support of the church, as they grow in loving God and loving others. As a Mosaic body, we commit to helping these families own the spiritual development of the next generation. Join us in that vision and celebrate with the families of: Abe, Carolyn, Jimmy, Penny, Emmalyn, Mabry, Lily, Edith, Eleanor, Caroline, Juliana, and Autumn.

### Volunteer Opportunities at Arkansas Children's Northwest

Many of us have experienced the trauma of caring for a critically ill child or supporting a friend in these circumstances. We are blessed to have Arkansas Children's Hospital Northwest in our region now and they need our help. Arkansas Children's Northwest depends on volunteers to provide assistance for their patients, families, and hospital staff. We want to encourage you, our Fellowship family, to partner and support them through volunteer efforts. From providing a stuffed animal and book for a child, to sitting with a parent in the waiting room, this is a great opportunity for the Body of Christ to care for the children and families who will, and already are, experiencing difficult days. As the hospital gets their volunteer programs up and running, Fellowship is committed to playing a role in helping children become healthy again. If you would like to fill out a volunteer application, go to [archildrens.org/volunteer](http://archildrens.org/volunteer) and click on the tab, [Volunteer at Arkansas Children's Northwest](#).
