### Live as One

What "good" thing(s) happened to you this week? What made it good?

What "bad" thing(s) happened to you this week? What made it bad?

### Live By The Word

Read [Mark 10:17-22](#).

What did the man want to acquire? How did he expect to get it?

Why did Jesus respond with his statement about goodness?

Why isn't it possible to get eternal life by doing good things?

Read [Ephesians 2:8-10](#).

How does God make it possible for "not good" people to "do good works"?

### Live as Sent

How can we shift from the mind-set of "doing good to be good" to one of "doing good because we have been made good"?

What good things can we do that demonstrate the good work God has done in us? How will you do that this week?

## takenote

from mickey rapier | directional leader

Have you ever attended Celebrate Recovery on Friday evenings? If not, please allow me to invite you to join us on Friday evenings at 7:00pm. Rodney Holmstrom leads our nationally recognized team in one of the most effective CR ministries in the country. Every week, people from all walks of life gather to find healing and hope in dealing with hurts, hang-ups, and habits. And let's face it, we all have hurts, hang-ups, and habits! The people who gather on Friday evenings just grew weary of fighting those battles alone. In CR, they have found truth, relationships, and accountability; three cornerstones of every healthy small group in all of Fellowship's congregations. If for no other reason, just go so you will be aware of the incredible work Fellowship's Celebrate Recovery leadership is doing. Rest assured, you will be blessed by their ministry.
