Live as ONE

If you were to use one word to describe Jesus, what would that be?

How are you walking in humility and committing to Jesus in this season of Lent?

Write a simple prayer for the Lent season using words that describe Jesus.

Live by the WORD

Read [Luke 19:37-40](#).

"The whole narrative structure of the passage challenges us to ask ourselves where we place Jesus. Is He the humble king of peace and glory or not?"
- Darrell Bock

The claim that Jesus is King had reached a point of division among the people of that day. Those that choose to believe that Jesus is King pointed to the signs and wonders of Christ during His ministry. Which miracle story, scripture, or personal experience reminds you that Jesus is King?

Live as SENT

"Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity"
—[Colossians 3:12-15](#).

Confessing that Jesus Christ is King means that we choose to embrace the culture of the Kingdom.

Prayerfully consider each word below. What person or circumstance comes to mind as you read these words: Compassion; Kindness; Humility; Gentleness; Patience.

CLARITY

Clarity is an initiative designed to help us all see Jesus more clearly in 2020. If you haven't checked out the clarity2020.org website or picked up a copy of the Clarity book, now is the time!

What you will find are weekly devotionals, prayers, and reflection questions, as well as daily scripture readings. As I've talked with people who have been on the Clarity journey with us so far, they are finding a lot of depth in these different elements of the experience.

My prayer is that each of us will incorporate these spiritual practices into our rhythms. Reading God's Word and praying daily is a great way to experience the grace and power of Jesus in our lives. Participating in corporate worship each week as well as gathering with others in community will help us see Jesus as we minister to and alongside each other. May we all reflect Jesus more completely as we see Him more clearly in the days and weeks ahead.

Are You New? Welcome!
