Live as ONE

As followers of Jesus, we live in the tension between GRIEF and HOPE. GRIEF – as we are affected by a world that has been deeply broken by sin. HOPE – as we trust that the day is coming when all things that have been broken will be restored, when Jesus will make all things new!

What does it look like to wrestle with the tension between that grief and the hope of Jesus making all things new?

Spend a few minutes grieving together in prayer over the brokenness in our lives and in the world around us. Ask that Jesus would increase our trust and hope in Him.

Live by the WORD

Read [Luke 19:41-44](#).

What do think are the “things that make for peace” that Jesus says Jerusalem was unable to recognize?

Are you at peace? Or are you frequently anxious, worried, stressed, busy, tired? Do you recognize Jesus’ way of peace or are you like Jerusalem?

Read [Luke 19:45-48](#).

The consumer culture infiltrating the Temple was distorting God’s design for that space.

Do you notice any ways that a consumer culture might be replacing God’s design for His people today?

What is God’s true design and desire when His people gather?

Live as SENT

In the Old Testament and in the 1st Century, the Temple in Jerusalem was THE place to find the presence of God, the place where Heaven and Earth came together in a mysterious way. After Jesus’ resurrection and the work of the Holy Spirit at Pentecost ([Acts 2](#)), followers of Jesus believe that a strange and wonderful shift has occurred. WE are now the Temple ([1 Cor 6:19](#)).

Look again at [vv. 45-48](#) and imagine if your group were a literal temple. Would Jesus call it “a house of prayer for all nations” ([v.46](#); from [Isa 56:7](#))? Or would Jesus need to go to work on it; flipping tables and driving things out?

NexGen Services

On the first Saturday of each month, middle school students join in the 5:00pm adult service in the Worship Center to worship with their families. We call this our NextGen service. We highly value giving families the opportunity to own the spiritual development of the next generation and this time each month is one way we hope will help foster good conversations.

Tonight is a special NextGen service because we have our 4th and 5th grade students joining families as well. This happens about four times a year. We love having our next generation of the Mosaic family in the Worship Center with us. Hey kids! Use the teaching notes inside this Communicator to follow along in the service and then talk to your parents about it later.

WEB SYSTEM CONVERSION

Mickey Rapier | Directional Leader

For over a year, we have been working with a third party company to help us securely migrate to a new church management system. And on Friday, March 13, your web account will be on a new platform!

What does that mean for you?

1. THIS WEEK, March 9-12, the Fellowship website and database will be off-line (all online registrations and online payments will be suspended). If you are planning to register for an event or place a one-time online gift, you will need to do so BEFORE or AFTER those dates.

2. Please **LOGIN TODAY** to your Fellowship account at fellowshipnwa.org and double check that all your contact information is accurate in "Family Members" (name, phone, address, email). When conversion is complete, you will receive an automated email that will allow you to reset your password, giving you continued access to your current groups, registrations, and giving history.

3. On the weekends of March 13th (Fayetteville Campus) and March 20th (Rogers Campus), we will be rolling out a NEW CHILDREN'S CHECK-IN system. Plan to arrive a little earlier to services on those dates so that you will have plenty of time to learn the new touch-screen monitor system.

If you have questions, contact us at questions@fellowshipnwa.org.

Are You New? Welcome!
