MARCH

PRAYER FOCUS

Dear God, please
teach me to share
with others.

Luke 6:38

MONTHLY ACTIVITY

We will be working on the gross motor skills: Marching, Up/Down, Kicking a ball. You can help by practicing at home!

Look at your class handout for the color of the month. Help by taking your child on a color hunt at home for that color!

To help your child with transition, you can work on at home having them sit at the table to eat or read a book, then have them move on to another task such as putting away the book.
