Live as ONE

What are some traditions in your life as you celebrate things like birthdays or anniversaries? Where did those traditions start? Why are they significant to you?

What is your personal experience with baptism? What is your experience of celebrating when others you know and love are baptized? Why is baptism important?

Live by the WORD

Read [Acts 16:25-34](#).

What is attractive and compelling about Paul's and Silas' relationship with God? Who do you know that has a similar authentic relationship with God?

Notice the simplicity and clarity of verses [30-31](#). What are the various answers to the question, "What must I do to be saved?" that you have heard in our day and age? What is your answer and why?

How did the jailer respond to Paul and Silas? What evidence do you see of his newfound belief in Jesus?

Consider this quote and how it relates to this passage and your life personally: "The idea of an unbaptized Christian is simply not entertained in the New Testament." –F.F. Bruce

Live as SENT

What is your next best step this week out of this discussion? Is it like the belief and baptism of the jailer and his household? Is it like the worship and witness of Paul and Silas?

We Are the Free

A song of liberty for the children of God! "We are the Free" is the first release in a series of kids singles from Fellowship Worship. Our hope and prayer is that the Spirit of the Lord would remove the veil from kids' hearts as they turn to Him, that they could see and reflect His glory and enjoy the freedom of a life found in Christ. Visit fellowshipworship.com/kids to download the new single and don't forget to leave a review on iTunes! We hope it's an encouragement to you and your kids!

Parent Cue is an app that is designed to help parents connect with the heart of their child every week through Bible-based content and practical things to say and do. Each cue aligns with content from Orange, our curriculum in kids' classes birth through elementary, and will change with your child, staying relevant to their phase of life. The app will cue you with encouragement, reminders, and conversation starters that will help you connect with your child in the morning, in the car, at meals, and at bedtime. Download at the iPhone App Store and Google Play. Once you have an account, search for *Mosaic NWA* to see what your child is learning at church on Saturday nights.

Remembering Our Heroes

For many, Memorial Day kicks off the summer season and... to be honest, most of us are thankful to receive a day off from work. But as we enjoy time with our family and friends, let us not forget to honor those who sacrificed their lives for our country to ensure our freedom and peace. It is hard to imagine what life in our country would look like without living in freedom. Memorial Day is a day for us to honor, with gratitude, those who gave the last full measure while serving in the United States Armed Forces. We also should not take for granted the selfless sacrifice made by those of you who have previously served in the armed forces or still do. So, on behalf of the Fellowship family, thank you for your service. For those who paid the ultimate price for freedom... we remember.

Are You New? Welcome!
