Clarity Week 1—[Isaiah 53:1-12](#)

CLARITY INTRO

Welcome to Clarity, Fellowship’s series designed to help us see Jesus clearly in the coming year. This initiative involves our personal devotional lives, our corporate worship, and our small groups.

A guide to the entire year can be found in the Clarity book, which is available for purchase, as well as on the web at [Clarity2020.org](#). Week by week, the Clarity material will provide a devotional, daily readings, a prayer, and discussion questions.

Let’s pray that we would commit to seeking Christ individually and collectively, having a unified vision of knowing and expressing the person of Jesus to Northwest Arkansas and the world.

BELONG

What are you most looking forward to with the Clarity series?

GROW

Take turns reading [Isaiah 53:1-12](#), one verse at a time. What is the focus of this passage? Who is it describing?

Which of the descriptive phrases stands out the most to you? How would you summarize what this Old Testament passage is telling us to look for in the Messiah?

The verses in [Isaiah 53](#) are referenced numerous times in the New Testament. Have someone from the group read aloud [Acts 8:30-35](#) and [1 Peter 2:21-25](#). How do these passages help clarify [Isaiah 53](#)?

How are you working to see Jesus more clearly right now? How can you commit to engaging in the Clarity series this Advent season and over the coming year?

Are you committed to worshipping God regularly with other believers? How can you connect more intentionally with the church in the coming year?

Clarity 2020

*Clarity Books are available in
The Worship Center Foyer for \$5.*

Beginning Advent 2019, all Fellowship congregations will begin a teaching series called "Clarity." This year-long study, following the Christian Calendar, has been created to help our church see Jesus more clearly and experience Him more deeply. The Fellowship Staff has created a Clarity Book that is currently available for \$5.00 in The Foyer.

We encourage each participant in the series to have their own copy of this great resource. It will parallel the teaching series with devotionals, reflection questions, prayers, daily scripture readings, and seasonal discipleship activities for families.

Can You Hear the Sound

Advent is a season of remembering and waiting, reflecting and watching, rejoicing and hoping, celebrating and anticipating the arrival of our King. In the midst of the hurry, the noise and competing voices of the world, the ego, the flesh, the enemy... "redemption's singing...the King is coming!" Can You Hear The Sound is an invitation to slow down just a little...to quiet the noise just enough...that we might hear His still small voice speaking words of hope and peace.

Can You Hear The Sound is a unique album that includes seven meditations and seven original songs. The meditations and songs lead the listener on a journey through the heart of the Advent story. CDs are available for purchase in the Worship Center Foyer for \$12.00.

The Gift

THE GIFT has become an opportunity to give back to God during the celebration of Advent and Christmas. Our Fellowship family has developed a culture of generosity, believing that through the leadership of the Holy Spirit and in obedience to God, our resources can be used to make a difference locally, regionally, and globally. Last year the people of Fellowship gave almost \$500,000 to The Gift and those funds were dispersed by the Elders to fund many worthy causes.

Over the next month, you will have the opportunity to make donations to THE GIFT online at give.fellowshipnwa.org and through special envelopes which we will make available in all our congregations. In giving sacrificially to THE GIFT during the Christmas season, we express gratitude to God for His generosity to us. Thank you for your participation in the past and the difference you have made in the lives of so many. We look forward to seeing what God will do through The Gift in 2020!
