**James:** Thanksgiving Share Service  
[Isaiah 11](#) and [12](#)

FELLOWSHIP  
fayetteville

## **BELONG**

What is something you have grown more thankful for over the years? Is there something that you used to take for granted that now you feel very grateful for? Share with the group.

Isaiah will say “In that day” several times in this passage. What day is he referring to? Have the events in [Isaiah 11](#) happened yet? What parts of this prophecy are we still looking forward to seeing fulfilled?

## **GROW**

Read [Isaiah 11:1-12:6](#) aloud, each person reading a verse or two. Don't worry about the translations being different.

How does Israel respond in [Isaiah 12](#)? When you consider what Jesus has done for you, can you relate to these prayers of gratitude?

What is the “stump of Jesse” referred to in [11:1](#)? What would that mean to Isaiah's original readers? What does it mean to us?

Close your time together praying and thanking God for the wonderful things He has done ([12:5](#)). Use [Isaiah 12](#) as a model for your prayers, or pray it back to the Lord in gratitude.

What does [11:2](#) tell us about the Holy Spirit and His relationship to the Messiah?

### November Service Opportunities

The holidays are a perfect season to spend some time being the light of Jesus to the world. We have many opportunities here at Fellowship Fayetteville to do just that. From ringing the Salvation Army bell at Sam's Club to purchasing a sleeping bag or tent for a homeless person. Keep an eye out for communication through your community groups and in the foyer on Sunday mornings for these and more serving opportunities this month.

## pray

Pray for E and L's extended families and their ability to process what they are stepping into through their training.
