connect IN COMMUNITY

Live as ONE

What has been particularly impactful to you through our series in James this fall? What have been memorable moments for you as you gathered in worship and community?

What are you looking forward to as we begin Clarity, a year-long series focused on seeing Jesus clearly?

Live by the WORD

Read James 5:13-20 and consider the following as you focus on praying together.

Notice the personal, individual focus of prayer in verse 13.

- Where are you experiencing hurt in your life right now? What would you like to say to God about that pain? What would your prayer to God sound like?
- Take time to fill in the blanks in gratitude and praise together:
God, thank You for _____.
God, You are _____.

Notice the communal, relational focus of prayer in verses 14-16.

- Where do you feel weakness and the effects of sin in your life right now?
- Take time to fill in the blanks in confession together:
I feel _____; will you pray for me?
I am sorry for _____; will you pray for me?

Live as SENT

Notice the missional, transformative focus of verses 19-20.

- Where do you long to witness life-change?
- Take time to each pray for one life-change story in the making by name.
- Take time to pray for 1,000 of those kinds of life-change stories in and through our church family.

James: Rhythms of Prayer

James 5:13-20

Justin Rusinowski | Ryan Ceola

Parent-Child Dedication

Tonight, six Mosaic families will dedicate their children to the Lord in a public expression of commitment to lead their children spiritually, with the support of the church, as they grow in loving God and loving others. As a Mosaic body, we commit to helping these families own the spiritual development of the next generation. Join us in that vision and celebrate with the families of: Isaac, Luke, Caleb, Kennedy, Leeland, Patrick, Abigail, Matthew, and Lila.

Clarity 2020

Clarity Books are available in The Worship Center Foyer for \$5.

Beginning Advent 2019, all Fellowship congregations will begin a teaching series called "Clarity." This year-long study, following the Christian Calendar, has been created to help our church see Jesus more clearly and experience Him more deeply. The Fellowship Staff has created a Clarity Book that is currently available for \$5.00 in The Foyer.

We encourage each participant in the series to have their own copy of this great resource. It will parallel the teaching series with devotionals, reflection questions, prayers, daily scripture readings, and seasonal discipleship activities for families.

Can You Hear the Sound

Advent is a season of remembering and waiting, reflecting and watching, rejoicing and hoping, celebrating and anticipating the arrival of our King. In the midst of the hurry, the noise and competing voices of the world, the ego, the flesh, the enemy... "redemption's singing...the King is coming!" Can You Hear The Sound is an invitation to slow down just a little...to quiet the noise just enough...that we might hear His still small voice speaking words of hope and peace.

Can You Hear The Sound is a unique album that includes seven meditations and seven original songs. The meditations and songs lead the listener on a journey through the heart of the Advent story. CDs are available for purchase in the Worship Center Foyer for \$12.00.

The Gift

THE GIFT is our opportunity to give back to God during this Christmas season and the Elders are able to use those funds strategically, not only here at Fellowship, but in ministries locally and around the world. Also, remember Fellowship Bentonville as you make plans for YEAR-END GIVING. This is a critical time for us to make progress toward fulfilling the dream God has placed before us in developing a new campus in Bentonville. Visit give.fellowshipnwa.org to give online.

Shared Beginnings

Shared Beginnings is an expectant and birth mother support center and a licensed adoption agency that focuses on helping moms and their families find stability to work their way out of crisis and poverty. 20 expectant moms are now in tremendous need of support and care. Shared Beginnings is helping them get medical care, housing, and much more. You can help by providing items needed as moms and families move into their new apartments: hygiene items, cleaning supplies, appliances... Find the bright purple carts in the Worship Center Foyer with information on specific items needed or to learn how you can be a part of helping to provide support for these women in our area. **Return items, donations, or gift cards to the purple carts by November 30.**

Thanksgiving

Celebrating Thanksgiving is a big part of why I love this time of year so much. We know that God is our generous provider who works everything out for our good, and because of His faithfulness, we have so much to be thankful for. What better time is there to focus on gratitude to Him than in this season? As we prepare for the holidays and shop for Christmas gifts, let us be grateful for what we have and be generous in word and deed to others. Make time to get on your knees and thank God for the blessings of life. Indeed, He has been good to us. Happy Thanksgiving!

Are You New? Welcome!
