

# connect IN COMMUNITY

Take time to pray for each other and then read [Isaiah 7:14](#) and [Matthew 1:23](#).

## Live as ONE

God is with us. This is a significant truth that can often be overlooked in the pain or hurriedness of life. Reflecting on this truth, how does this impact your life and your life with others?

What is one way you could deepen your awareness of God’s presence in your everyday life? What practical steps will you take to make this a reality? Share this at your next small group meeting or with a trusted friend.

## Live by the WORD

We see that God is Yahweh Shammah and Immanuel repeatedly throughout Scripture. God’s presence is found everywhere and in everything. He is with us. Share a verse or story from your Bible that comes to mind about the presence of God.

[Matthew 28:20](#) reminds us that He is with us always; however, take time and reflect on this question: If God took His leave and abandoned us, how long would it take for you to notice?

## Live as SENT

Which neighbor, friend, or coworker comes to mind as you reflect on “God is with us”? How might you encourage someone who feels alone or describes God as being distant/absent from their life? What would you like to share with them in your next conversation?

Grief is not an enemy or a sign of weakness. It is a sign of being human. It is the cost of loving someone. It is inevitable that during a loss we would be deeply impacted, shocked, or wounded. The goal in the grieving process is to re-organize our emotions to cope with loss and to re-establish healthy relationships. Grief Share helps people as they grieve the loss of a family member or friend. Cost is \$15 for materials.

### GROW!

It's amazing how we adapt our lives to fit the school calendar. Most of us adopted fall and spring routines when in high school and college. This lifestyle was then reinforced in those who raised children in school. That being said, another semester is upon us, regardless of age! Here is my question: What are you going to do this year to continue the quest of being a life-long learner? Fellowship offers many opportunities for you to grow in both Small Group Ministry and Training Center classes. Now is the time to decide what you plan to do to grow deeper in knowledge, stronger in your faith, broader in outreach, and closer together in community. Fellowship, let's make strategic plans this season to GROW!

### Are You New? Welcome!
