

connect IN COMMUNITY

Live as ONE

What are you grateful for? How have you seen God working in your life recently?

Where are you in this “everyday disciple” journey?

Are you recognizing Jesus as the Leader of your life?

Have you been recognizing brokenness in your life and in the world around you?

Are you recognizing Christ’s calling in how He wants to use your life with and for others?

Do you recognize the need to “pivot” or adapt your approach to living Christ’s calling with and for others?

Live by the WORD

Read [John 17:20-21](#) and [13:34-35](#).

What could it look like to take another step in “living as one,” knowing and loving one another in community in the coming months?

Read [John 17:17](#) and [15:8-11](#).

What could it look like to take another step in “living by the Word,” abiding and obeying Jesus in community in this next season?

Read [John 17:15-18](#) and [16:33](#).

What could it look like to take another step in “living as sent,” being in and not of the world in community in this next season?

Live as SENT

What are you going to commit to do as a result of this time of reflecting on what Jesus desires for your life within community? Take some consistent and intentional time to ask for God’s help to follow through in following Jesus with others.

TONIGHT

Mosaic Equipping Night

This is a “choose your own adventure” equipping night for you and your future disciple-making community to help you make progress towards living out Jesus’ dream in John 17. We’ll begin with worship together and then each breakout session will be offered both services.

ONE Workshop: The Ins and Outs of Living in Community

The Training Center Chapel

Do you sense God is doing something new with you? This workshop is designed as a practical approach to starting, growing, and multiplying God’s impact and influence in your community.

WORD Workshop: Learning How to Study & Communicate God’s Word

Worship Center

In Mosaic this fall, we will be journeying together through the book of James. This workshop will give you a first look to help you understand this letter, along with coaching tips on how to incorporate God’s Word into everyday life and community.

SENT Workshop: Finding Your Purpose and Defining Your Calling

Family Center

God, who created the world and invited you into His story, has also brought others around you in community for a reason. Consider how God could be calling your disciple-making community to see and engage the world around you.

Never Be the Same

New Fellowship Worship Kids' Single

"I first heard Shelley Gregory share the song *Never Be the Same* at a writer's night that we both attend. She had crafted this incredibly catchy chorus that, at the same time, had this amazing Gospel message. Shelley says, 'I wanted this song to be a celebration of all that God has done for us through Salvation and a declaration of how wonderful it is to live as a new creation in Christ!' She graciously agreed to let me come on as a co-writer, and we worked together to create what you hear today. We pray that God will use this fun song as a useful tool, that helps children recognize and celebrate the dramatic difference Christ makes in their lives every day." —Kelly Parks

Visit fellowshipworship.com/kids to download the new single! We hope it's an encouragement to you and your kids!

FELLOWSHIP | MINUTE

Mickey Rapier, Directional Leader

Kristin Hartness, Global Hero!

The Global Workers we partner with here at Fellowship are heroes in our eyes and hearts. They abandon the comfort and security of home to selflessly follow God's call on their lives. Kristin Hartness is one of those workers. She has spent the last six years of her young life in the Czech Republic, devoting herself to being the hands, feet, and voice of Jesus to others. She shared Christ and discipled young people in one of the most secular places in the world.

Kristin has now returned to Northwest Arkansas where she will undoubtedly continue to do the same. Only in heaven will Kristin realize the full impact of her time in Prague, but today she serves as a model to all of us to listen to God's call on our lives, then act on it. Being a fully devoted follower of Christ is a high calling and we welcome home Kristin, with gratitude for her service.

Are You New? Welcome!
