Read Psalm 100:1-5. In [verses 1-2](#), how does the psalmist suggest expressing praise to God? When have you felt this way in your spiritual journey?

What are the six reasons provided in [verses 3-5](#) for giving thanks to God? Which of these can you most connect with right now? Can you think of anything else that you would add to this list?

Read Colossians 3:16-17. How is giving thanks to God both a responsibility and a joy for followers of Jesus?

How can an attitude of praise exist in all circumstances? How can our thanksgiving to the Lord change our circumstances?

In what situation of life could you apply these passages this week?
