Live as ONE

Take a moment to pray for one another, then read [John 20:30-31](#). How has God used the “Miracles: Signs of the Savior” series to cultivate faith and life in you? How have you been comforted and/or challenged by the story of Jesus?

Live by the WORD

Read [John 20:1-18](#), [20:19-31](#), and [21:1-11](#). Read them one at a time and have someone summarize each story in their own words.

What did these stories have in common?
Why might that be important?

What was different in these stories? Why
might that be important?

What are some of the barriers to faith
in Jesus that you notice? How does
Jesus meet people where they are in
transformative ways?

How has Jesus met you in similar and
important ways in your story? How do you
need Jesus to meet you in your life today?

Live as SENT

Read [John 20:19-21](#) again. How does witnessing the life of Jesus transform how you live as a witness for Christ? What do you need to receive, to see, to hear from Jesus? What will you carry with you from Jesus this week?

HE IS RISEN!

This weekend, we celebrate the resurrection of our Lord! Easter is here! And we shout the words, “He is risen! He is risen indeed!” Jesus conquered death and hell and declared victory over the grave for all who believe. We celebrate Easter because Christ has risen from the dead and lives forevermore. It’s not just another day or just another reason for a holiday. In fact, the early church chose to worship together on the first day of the week, Sunday, because that was the day Christ rose from the dead. May it never become mundane or commonplace; may it never be relegated to a cheap celebration of bunnies and pastel eggs or just another rite of spring. The centerpiece of Easter is the celebration of our life in Christ. So, we join with the saints of ages past in declaring, “He is risen, He is risen indeed!”
